Wailuku, HI (June 14, 2021)

Maui AIDS Foundation will be hosting a second car wash fundraiser on Sunday, June 20th, to help support their community programs in Maui County. The car wash will operate from 8:00 a.m. to 12:00 p.m. at the Ohana Fuels located at 85 South Wākea Avenue in Kahului.

Let's treat our dads to a Father's Day carwash while supporting an important Maui community cause!

Tickets are \$10 and can be purchased in advance or onsite. Those looking to purchase tickets in advance can visit the donation page on [Maui Aids Foundation's website](#).

Organizers will take proper precautions to ensure the safety of all participants. Guests should wear masks and observe social distancing protocols.

MAF would like to say Mahalo to all community members who came out to support us for our first carwash fundraiser in May. It was a success because of you and will have an amazing impact on our programs and services!

Community members can also support Maui AIDS Foundation by filling up their gas tank at any 'Ohana Fuels location on Maui until June 30th as part of the 'Ohana Fuels "Fuel Up. Do Good." program.

A portion of the proceeds from the fuel purchase will go to help Maui AIDS Foundation and their free health services to the community including clinical testing, comprehensive client care, food pantry, housing, prevention education and support groups.
