MAUI AIDS FOUNDATION TO HOST A CAR WASH FUNDRAISER IN PARTNERSHIP WITH CERAMIC TILE PLUS

Wailuku, HI (June 7, 2022)

Maui AIDS Foundation (MAF) will be hosting a car wash fundraiser in partnership with Ceramic Tile Plus on Saturday, June 25th, to help support their community programs in Maui County. The car wash will operate from 7:30 a.m. to 2:00 p.m. in the Ceramic Tile Plus parking lot at 25 South Kahului Beach Road, Kahului.

MAF's fundraisers help to provide free health services to the community. This car wash will support a special focus: our partnership with the Maui Police Department's Mobile Medical Health and Education Unit serving community members in need across the island. Our prevention staff is onsite with the bus to provide sexual health prevention education, free and confidential clinical testing, hygiene products, harm reduction, drug prevention education, needle exchange, and linkage to care. We are looking forward to being part of this positive, long-term impact on our community and supporting it through fundraisers like these.

Car washes are \$10 and can be purchased onsite. MAF would like to say mahalo to all community members who came out to support us for our carwash fundraisers in the past. These fundraisers are a success because of you and will have an amazing impact on our community, programs, and services!
